

July, 2010

Dear all participants,

On behalf of the Organizing Committee, we would like to take the opportunity to thank you for collaborating with us.

We deeply appreciate your kind cooperation in the JSH International Symposium.

We are pleased to inform you that the Symposium was a great success, with 151 participants attending, and 68 presentations ; the president's lecture, 10 invited lectures, 10 oral presentations and 47 poster presentations.

Your collaborations have made the Symposium successful, and we would like to sincerely thank you for all of your support.

We were able to have the opportunity to exchange information between researchers for their studies, and we are very confident that we have started out well. We feel the 1st Symposium was a contribution to international communication for science.

We are full of hope for the next Symposium in Nagasaki and further international exchange in the future.

We appreciate your tolerance if at any time we were less than courteous.

With best wishes for your prosperity.

Cordially,
